

Case 1-06-CV-340 KAJ

TO: Office of the Clerk, District Court Delaware

FROM: DETLEF HARTMANN, 229843, FBI, No.

SUBJECT: Partial Filing Fee Errors

DATE: Nov 9, 2006

Wrong partial filing fees taken from my inmate account by Delaware Correctional Center, ^(DCC) Business Office.

1. I just had 10.83 taken out of my account on Oct 20, 2006. Deduction is to be made monthly, if legally allowed.
2. But on Nov 3 another deduction, illegally was made for \$34.00.
3. I just had a special gift sent for a "necessity of life," as legally defined, since legal custodian does not yet provide that. See legal definition for inmates "necessities of life," as in Filing Fee Motion Appeal filed recently by myself.
4. "Gifts" do not qualify for deduction for filing fee legally, especially for necessity of life not provided by custodian.
5. Civil Complaint includes claim for denial of "necessities of life" for inmates by DOC staff.
6. Need immediate refunds if clerk can do to not clogg up court unnecessarily. Receipt # 145323, Nov 7, 2006, for \$34.00, and Receipt # 145180, Oct 25, 2006 for \$10.83. And clarification info or cease + desist order about "Gifts" sent to DCC business office.
7. Also, Nov 3 deduction from inmate account of 34.00 was NOT one month apart from previous months deduction. No legal deduction allowed every 2 weeks.

8. If legal motion needs to be filed for refund, let me know,
or just have this added to Filing Fee Appeal anyway
possible legally like an Amendment, Exhibit, or Attachment,
or alike.

Thank You,
Wetzel Hartmann
